

# Access to Navid

There are two ways for accessing Navid:

1. To type **tumsnavid.vums.ac.ir** in address bar of your browser.
2. To choose **Navid icon** from left hand menu in **Tums website**.

Then enter your **Sipad account** as username and passwords for the first time. For next times just use **Navid icon** and use **valid email** and **6 character password**.

**Remember!** Using valid email for your account helps you to recover your password if you forget it.

If you follow these steps, you can access Navid without any problems. we just make account for student from other universities and you as Tums students can access Navid via Sipad account or valid email.
