## Educational Background

I studied undergraduate studies in German literature at Shahid Beheshti University until 2018.  
I am currently a final year postgraduate student in German literature at the University of Research Sciences.  
I also studied German at the Austrian Cultural Association of the Austrian Embassy from 2009 to 2014.

## Experiences

I started teaching German at the Beheshti University Association.  
After that, I started working at the Faculty of Foreign Languages of Shahid Beheshti University.  
Then, I taught at the Tehran Technical Complex and also at the “Kish Way” Institute.  
At the same time as teaching at the College of Medical Sciences, I am working at several institutes near where I live.
