

**Memorandum of Understanding
between
School of Nutritional Sciences and Dietetics,
Tehran University of Medical Sciences (TUMS)
and
Al-Esnad Health Services and Consulting Company**

Both parties share the desire to collaborate in expanding awareness and education on the importance of nutrition within Iraqi society in general, and among Health Institutions and Universities in particular, to strengthening friendly relations, School of Nutritional Sciences and Dietetics, Tehran University of Medical Sciences (TUMS), hereinafter referred to as the "first party", and between Al-Esnad Health Services and Consulting Company, hereinafter referred to as the "second party", hereby commit to the following Memorandum of Understanding (MoU) to promote educational collaboration.

Scope of Collaboration

The Parties agree on the following general forms of Collaboration within spheres of mutual interests:

Responsibilities of the First Party:

1. Provide educational programs through workshops, seminars, and conferences
2. Target a diverse audience including Physicians, Specialists, and Health Experts

Responsibilities of the Second Party:

1. Manage and organize the conferences
2. Invite and engage the target academics
3. Attract companies as potential sponsors

Themes of joint activities, the conditions for utilizing the results achieved, arrangements for specific visits, exchanges, and other forms of Collaboration shall be negotiated on a case-by-case basis and agreed upon through signing separate agreements.

Intellectual Property

Any intellectual property developed from collaborative project conducted under this MoU or any contracts pertaining to fees for services rendered will be addressed on a case-by-case basis under separate agreements.

Financial Arrangements

The financial agreement between the parties will be based on the nature of the project agreed upon, which will determine the responsibilities of each party and the distribution of financial benefits as per the agreement. For each educational and collaborative activity, a separate contract will be drafted and agreed upon by both parties.

Dispute Resolution

Any difference or dispute between the Parties concerning the interpretation and/or application of any provision of this MoU shall be settled amicably through mutual consultation and/or negotiations between the Parties without reference to any third party.

Duration and Termination

This MoU shall become effective from the date of signing for a term of two years. It is subject to renewal by mutual written consent of the Parties within six months prior to the expiration date. In the event that a Party wishes to terminate this MoU at the expiration date, they shall provide written notice to the other Party with a notice period of six months.

Amendment

This MoU may be revised with the mutual consent of both Parties.

Coordination

The objectives of this MoU will be implemented through the coordination of the local, national, and international offices of both institutions. The individuals responsible for ensuring the successful execution of these objectives are Dr. Khadijeh Mirzaei Vice Dean of International Affairs, School of Nutritional Sciences and Dietetics (TUMS)

(Email adders:)
and MS.Zahraa Jawad Public Relations Coordinator at Al-Esnad Company

(Email address: zahraajawad@alesnad4hs.com).

They will oversee and facilitate all activities related to the MoU, ensuring that the collaboration between the two institutions is both productive and effective.
