

TEHRAN UNIVERSITY
OF
MEDICAL SCIENCES

Tehran University of Medical Sciences (TUMS) is pleased to assign

Professor Nasrin Asgari

as the TUMS Distinguished Visiting Professor at the Multiple Sclerosis Research Centre
for three years starting March 2021.

Her valuably long-term experience in the field of Medicine and her enthusiastic participation in TUMS educational and research programs will be a great asset to the field of Multiple Sclerosis and Neuromyelitis Optica Spectrum Disorder.

Her cooperation includes supervising /advising PhD candidates and fellows, conducting innovative research projects in the discipline of Multiple Sclerosis and Neuromyelitis Optica Spectrum Disorder, which leads to joint publications in peer-reviewed reputable journals, seeking external funding for research projects, engaging in various educational activities and events such as holding mutual seminars and tutorials, and promoting other proposed academic and clinical areas.

Mohammad Ali Sahraian, MD
