

**Memorandum of Understanding for
Holding Joint Online Courses between
Tehran University of Medical Sciences (TUMS)
and Yeditepe University (YU)**

In recognition of their commitment to the advancement of learning through teaching and research, and to strengthening friendly relations between them, Tehran University of Medical Sciences (TUMS) and Yeditepe University (YU) commit to the following Memorandum of Understanding (MOU) for the promotion of educational and academic links between the two universities.

Both universities agree on holding an online joint course on Dental Emergencies considering the following general conditions and forms of cooperation:

1. The online course will be held jointly by both universities on September 18-19th, 2021.
2. Theme and educational content of the online course, required educational infrastructure, and the conditions for utilizing the results achieved is described in Appendix A of this MoU.
3. Further online and joint courses such as online summer schools and arrangements for other forms of cooperation shall be negotiated for each specific case.
4. Both universities will make every reasonable effort to encourage direct contact and cooperation between their faculty members and departments under the provisions of this MOU, and endeavor to cooperate in the fields with which both parties are concerned.

This MOU shall become effective on July 2021 for a term of *ONE* year. It is subject to renewal by mutual written consent of the parties within six months prior to the expiration date. In the event that either institution wishes to terminate this MoU at the expiration date, they shall do so in writing to the other institution, with a notice period of six months.

This MOU is valid with Appendix A and may be revised with the mutual consent of both parties.
