

TEHRAN UNIVERSITY
OF
MEDICAL SCIENCES

Tehran University of Medical Sciences (TUMS) is pleased to assign

Professor Arman Rahmim

as the TUMS Distinguished Visiting Professor at the School of Medicine for three years starting February 2022.

His valuably long-term experience in the field of Medicine and his enthusiastic participation in TUMS educational and research programs will be a great asset to the field of Medical Physics and Biomedical Engineering.

His cooperation includes supervising /advising PhD candidates and fellows, conducting innovative research projects in the discipline of Medical Physics and Biomedical Engineering, which leads to joint publications in peer-reviewed reputable journals, seeking external funding for research projects, engaging in various educational activities and events such as holding mutual seminars and tutorials, and promoting other proposed academic areas.
