

TEHRAN UNIVERSITY
OF
MEDICAL SCIENCES

Tehran University of Medical Sciences (TUMS) is pleased to assign

Professor Pieter Johannes Slootweg

as the TUMS Distinguished Visiting Professor at the School of Dentistry for the duration of a year (2019-2022).

His valuably long term experiences in the field of Dentistry and his enthusiastic participation in TUMS educational and research programs will be a great asset to the development of Oral and Maxillofacial Pathology.

His cooperation includes advising & supervising M.Sc. / Ph.D. theses and dissertations, conducting innovative researches in the discipline of Oral and Maxillofacial Pathology which leads to joint publications in high quality peer-reviewed journals, seeking external funding for research projects, holding mutual seminars, tutorials, and promoting other proposed academic areas.
