

TEHRAN UNIVERSITY
OF
MEDICAL SCIENCES

Tehran University of Medical Sciences (TUMS) is pleased to assign

Professor Kazuhito Yokoyama

as TUMS Distinguished Visiting Professor at the Maternal, Fetal and Neonatal Health Research Center for three years starting April 2020.

His valuable and long-term experience in the field of Medicine and his enthusiastic participation in TUMS educational and research programs will be a great asset to the field of Maternal, Fetal and Neonatal Health Science.

His cooperation includes advising and supervising MSc / PhD theses and dissertations, conducting innovative research projects in the discipline of Maternal, Fetal and Neonatal Health Science, which leads to joint publications in peer-reviewed reputable journals, seeking external funding for research projects, holding mutual seminars and tutorials, and promoting other proposed academic areas.

Fatemeh Sadat Nayeri, MD
