Education

- **PhD (Nursing):** Tehran University of Medical Sciences 2013
- **MSc (Medical-Surgical Nursing):** Iran University of Medical Sciences 2005
- **BSc (Nursing):** Tehran University of Medical Sciences 2001

Thesis

- **Doctoral Thesis:** Exploration of Development Process of Patient-centered care nursing in critical care units: A Grounded Theory Study - 2013
- **Master Thesis (Nursing):** The relationship between self-efficacy and quality of life in hemodialysis patients 2005

Approved Projects & Proposals

- Factors Impacting on Membership and Non-Membership in Nursing Associations: A qualitative study- approved by TUMS, 2010
- Stress and multiple sclerosis in Multiple Sclerosis Association- approved by KIAU,2006
- Effect of nursing education in knowledge, attitude and performance in acute coronary syndrome- approved by KIAU, 2008
- Comparison of knowledge and clinical skills and student satisfaction with ASCE and traditional evaluation –approved by KIAU, 2007
- The Effect of Two Kinds of Feedback(written and oral and written) on Formative Assessment on Arterial Blood Gas Interpretation Skills of Nurses in Intensive Care Unit. TUMS,2015.
-

International Presentations

- Maryam Esmaeili, Maryam Alikhani. Self- Efficacy In Iranian Hemodialysis Patients. 2th Congress of International Society for Hemodialysis. 28-30 August 2009. Hong Kong.
- Maryam Esmaeili. Nitrate Resistance in Smokers. 15th Congress of the Iranian Heart Association in Collaboration With The French Society of Cardiology. Oct. 31-Nov. 3, 2006. Tehran.
- Maryam Esmaeili, Maryam Alikhani. Quality of Life and Self-Efficacy in Hemodialysis. 11th International Congress of Nephrology, Dialysis and Transplantation. Nov. 20-23, 2007. Tehran.
