It is essential that you know when and where your lectures, tutorials and laboratory sessions are being held.

Note1: It is the student's responsibility to track his/her own academic standing and financial issues.

Note 2: The Second semester of the academic year of 2022-2023 (Feb. 2023), will be implemented ON CAMPUS.

Note 3: The Educational Office of ICTUMS will inform the students about any updates via <http://en.tums.ac.ir/en/content/6/students>

Note 4: If you are having a problem with your timetable because the units you selected are clashing, you might have to choose other units.
