#### Requesting Your Degree in SIPAD:

After receiving the Degree letter from Mr. Shahbazi, the process to request your Degree in the SIPAD system is detailed on our website: <https://en.tums.ac.ir/medicine/en/content/701/educational-rules-and-regulations>

#### Proxy Authorization:

If someone else will receive your Degree, Transcripts, and Certificates on your behalf, you must complete a Power of Attorney legal document with a certified public notary and present it to the Education Office.

#### Follow-up Contacts:

For any inquiries related to the graduation process, contact Mr. Shahbazi at 021-81634205.

\*Please note that the day after you submit your graduation forms to the Education Office, your graduation process will begin at the Faculty. From the initiation of your graduation in the SIPAD system, it will take at least two weeks to complete the operation. Due to the high workload, please refrain from contacting our colleagues or visiting in person during this period.

After this two-week period, and upon final approval of the graduation process, your names will be given to your representative to receive the 'Request for Degree' letter. If you have any questions or issues, please contact your representative to inform us.

In exceptional situations, after the two weeks have passed, you may contact Mr. Shahbazi. If approved, you can visit the Educational Office (Ms. Abbasi) to receive the Degree letter.

Please refrain from attending the faculty until the names are announced separately. All communication will be conducted only through your representative. Thank you for your attention and understanding.

\*Please follow the steps for requesting your degree carefully and check your system frequently. If you receive a message, address the issue immediately. Your degree will be ready for collection 10 days after the application date. You can also obtain all Persian and English transcripts and all your certificates from the education office, where you will need to sign the relevant forms to receive your documents.

\*Please note that duplicate certificates and documents will not be issued, so take care to keep your documents safe.
